Mr. Ryan Sample and Mrs. Sherri Sample,

Thank you for giving us the opportunity to assist you with your mortgage. As our client, you are entitled to apply for the Mortgage Protection Plan. Our records indicate that you have not applied for this mortgage life & disability insurance coverage, **so your mortgage is not insured under this Plan.**

As Mortgage Professionals, we believe that every mortgage should be protected against the risk of death or disability. Whether you use our Mortgage Protection Plan option, or you arrange for protection through your own life insurance agent, we encourage you to arrange some form of protection. Without it, you risk the loss of your family home.

If you have not yet arranged alternative protection, we recommend that you do so today. We have enclosed an application form so you can apply today. The details on the application are based on the information contained in our records of your mortgage application. To protect your privacy, this information will only be available to Mortgage Protection Plan and its insurer, The Manufacturers Life Insurance Company (Manulife Financial), if you complete the application form. We have also enclosed a brochure with more information about Mortgage Protection Plan.

To apply simply **return the enclosed form in the postage paid envelope, or by fax to 1-866-677-4329 by June 3, 2011.** If you have any questions about our mortgage life & disability insurance, or you wish to apply by phone, please call 1-866-677-4366. You can also visit the Mortgage Protection Plan website at **[www.mortgageprotectionplan.ca](http://www.mortgageprotectionplan.ca)**.

Once again, thank you for the opportunity to arrange your mortgage.

Yours sincerely,

per/
